

Kinn's Sport Fishing

Already booked a trip?

Thank you for choosing Kinn's Sport Fishing. Important information about your upcoming trip.

PRIOR TO YOUR ARRIVAL:

- Please check your invoice for correct dates and times of both your charters and lodging accommodations to determine if there are any conflicts or errors.
- In the upper right hand corner of your invoice it will show you harbor, boat requested, lodging, and starting time.
- Plan on being to the boat about 15 minutes prior to your starting time.
- You may bring cooler with personal food and beverages.
- We will have fishing licenses available on the boat and you may fill them out at this time.
- Check in for all lodging locations is at 3pm, with check out being at 11am. If you are staying at one of our condominiums we will set keys in a mailbox next to your assigned unit.
- Payment - The best way to pay is for everyone in your group to pay one person, and they can settle up with your Captain at the end of the trip. Balances need to be paid with check or cash only as we have no way of processing cards on the boat.
- Bring your cooler - Fish cleaning is included in all of our trips and packages.
- Your crew always appreciates tips.
- We look forward to seeing you on the water!
